PRESS RELEASE

FOR IMMEDIATE RELEASE

RESOLUTION RESEARCH[®] WILL BE ATTENDING THE WBENC 10th ANNUAL NATIONAL CONFERENCE AND BUSINESS FAIR: LAUNCHING A NEW DECADE.

Denver, CO (June 21, 2007) - Resolution Research & Marketing, Inc.[®] announces it will be attending the Women's Business Enterprise National Council's (www.wbenc.org) national conference and business fair taking place in Los Angeles June 25-28, 2007. Resolution Research[®] will be represented by Nina Nichols, President, and Mary Wuest, Marketing Director. This is Resolution Research's[®] second year of attendance and its second year holding WBENC certification. This conference is the largest event of its kind in the nation for women's business enterprises. WBENC is dedicated to bringing America's corporate and federal government buyers face-to-face with America's women-owned business suppliers.

During the four-day event, WBEs, senior corporate executives, supplier diversity & procurement professionals, and government representatives will foster many business opportunities by participating in an action-packed agenda including networking activities, workshops, general sessions, and special events. Resolution Research[®] is excited about the opportunity to attend.

For more information on the conference, visit <http://www.wbenc.org/wib2007>.

About Resolution Research[®]

Resolution Research[®], a Denver, CO based market research firm is solely owned by Nina Nichols, a 17 year Denver resident, who founded the company in February of 1990, only a few years after her graduation from Oklahoma State University. Ms. Nichols' firm is managed by a largely female staff and believes firmly in promoting diversity within the organization.

The company provides a variety of full service offerings, including but not limited to telephone surveys, internet & online surveys, recruit-to-web surveys, in-home product tests, focus group & IDI recruitment, online panel, survey design & development, tracking, analysis and reporting. For more information, please visit www.ResolutionResearch.com or contact Resolution Research at 800-800-0905 or info@re-search.com
